71 Crawford st. Newark N.J.

Dear Mrs. Manley:

Started to stop over in Newark a few hours while I was in the big city of New York for the Intercity Golden Gloves fights of March 27. I was there from March 24 to 28. However, I most likely will cover the Penn relays in Philly on April 28, 29. I may get a chance to see you.

This letter is to inform you that because of delay in mails, shortage of print paper and being cut to one page, I am up against a stiff proposition. As a result, please have your publicity man acquainted with the following: Deadline for national edition is MONDAYS at noon. In order to make that, we will ask you to have him wire 50 or 75 word lead plus score by innings, runs, hits, errors and batteries of your home Sunday games. Have this sent night press rates collect OUT of Newark Sunday night.

Hope this will find you and hubby well.

Yours truly

Frank A. Young
